

# 50" LED UHD Monitor

MW3250-F-V3

## Specifications

| Panel                           | Description                       |
|---------------------------------|-----------------------------------|
| Panel Type                      | IPS                               |
| Panel Size                      | 50"                               |
| Pixel Pitch (H*V) (mm)          | 0.28*0.28                         |
| Resolution                      | 3840*2160                         |
| Color Support                   | 1.07B                             |
| Brightness (cd/m <sup>2</sup> ) | 300                               |
| Contrast Ratio                  | 1200:1                            |
| Refresh Rate                    | 60Hz                              |
| Response Time (ms)              | 8                                 |
| Viewing Angle (H/V)             | Horizontal 178° , Vertical 178°   |
| Display size (mm)               | 1095.84*616.41                    |
| Interface                       | Description                       |
| Video Input                     | VIDEO IN *1、HDMI *3、USB*1、YPbPr*1 |
| Audio Input                     | OPTICAL*1、VIDEO AUDIO (L/R) *1    |
| Audio Output                    | Earphone OUT*1                    |
| Speaker                         | Description                       |
| Speaker                         | 2*5W                              |
| VESA                            | Description                       |
| VESA (mm)                       | 200*200                           |
| OSD                             | Description                       |
| Multi-Language                  | English, Simplified Chinese       |
| General                         | Description                       |

|                                 |                                                                                             |
|---------------------------------|---------------------------------------------------------------------------------------------|
| Voltage                         | AC 180-240V 50/60Hz                                                                         |
| Typical power consumption (W)   | ≤110                                                                                        |
| Standby power consumption (W)   | ≤0.5                                                                                        |
| Product Dimensions (W*H*D) (mm) | 1110.90*698.10*231.07                                                                       |
| Package Dimensions (W*H*D) (mm) | 1230*746*150                                                                                |
| Weight (Kg)                     | Gross Weight:14<br>Net Weight:17                                                            |
| Operation Temperature           | 0° C ~ 40 ° C                                                                               |
| Operating Humidity              | 35%~75% (No Condensation)                                                                   |
| Storage Temperature             | -5° C ~ 45° C                                                                               |
| Storage Humidity                | 10%~90% (No Condensation)                                                                   |
| Standard                        | 1*HDMI cable、1*Quick Guide、1*Remote Control、1*Base、1*infrared extension cable、1*Power Cable |
